

Save time – do it online!

GP online services gives patients the option to book appointments, request repeat prescriptions and view their GP records, using their computer, tablet or smartphone rather than having to phone or visit their practice.

Online services complement the existing ways patients can access appointments, prescriptions and their records. Our practices already have the facility to offer online access to records and transactional services for our patients.

If you are not already registered for GP online services please let a member of the practice team know you would like to use this service.

Did you know you can book your appointment online?

Using online services makes it more convenient for people at our practice, as there's no need to make a phone call or visit us. Computer, smartphone or tablet users can make or cancel an appointment at a time that suits them, even when the practice is closed.
